

TRC Meeting

November 26, 2003

The meeting began at 5:00 p.m. at the Town Hall. Those present: Seth, Izzy, Kitty, & Priscilla. It was noted that the web site has passed 90,000 hits. This month the top two searches seem to be autumn pictures and winter pictures. Although the daily number of hits is down from September, we still are getting 231 per day on an average. It was agreed to change the name of the weekly picture to the featured picture. This solves the problem of trying to find a new one each week.

Project Updates

Kitty is still working on the Ebeemee Community project. The new guest book is up and running and working well. Seth will be removing the mugu and mumu entries soon as they are not real comments. The Registry of Deeds project is being worked on and there will be more on that later. The government page was discussed and if we come across something not already listed that would apply to this area, we will be adding that listing.

Site Changes/ Current Projects

Local Directory,

On the Business Directory we are still awaiting updates from Melissa. Organization Directory discussed. Priscilla will be attempting to contact the Snowmobile Clubs for their updated information. The updated information for the Brownville Alumni Assoc. was submitted with what information is now available.

Was noted TRC was in the Observer at last. We will see about getting into the Advantage and also the Milo Farmerís Union paper as well. Izzy will be looking into this possibility. We will all be thinking about other opportunities we can take advantage of as they come along.

TRC Alliance Corner

There will be a regular article each week in the Three Rivers Community News written by one of the Alliance members. This weekís

article will be submitted by Izzy. Will be decided later who does the next one.

School Sports Schedule

It was noted that Val managed to get the school sports schedule so that now we will have that available on the site for those interested.

Fishing Derby

Need to get the poster from Murrel. Izzy is going to check with him on this.

2nd Annual Christmas Lighting Contest

The flyer and info are on the web site and in the Three Rivers News. Posters need to be put up around town. Izzy has the posters. Izzy, Kitty and Priscilla will be taking pictures of the contestants entries as they are available and ready. We will be needing judges and need to find them soon.

Other Business

We need a lot more free advertising and will be looking for these opportunities
The bylaws were discussed and it was decided that more work is needed on them.
