

TRC Meeting

May 26, 2004 at 5:00 p.m.
At PVHS & FHCS ATM Room

1. Reports

After some problems with sound the meeting got under way. Site Statistics show a leveling off in hits with Summer photos the most popular followed by Spring photos.

The new TRC 3.0 is up and running and working very well. This site redo has made the site much easier to navigate. The Community names at the top of the main page are now links to those community pages.

Although the Milo American Legion Post 41 is supposed to have a web site none of us has been able to locate it.

There is no secretaries report

The treasurer reports that we do have money in the treasury but her notes were not with her so she couldn't state the exact amount. We got a donation of 25.00 lest PayPal fees making it 23.97 from Tom Howard. A thank you letter will be sent.

The local directory now has forms to fill out for information to be inserted making it much easier.

Kitty will be getting information on the Brown House in Brownville and Fred Trask will take photos.

Old Business

The TRC Alliance Corner needs writers. Was decided to do this column every other week or so instead of every week.

The Milo Web Cam was discussed. The type of cam and housing we need would be around two thousand dollars. We saw a live demo and it was quite impressive. Fred Trask has offered to provide the cam and place to mount it. Seth will do the installation. The cam would be located at Trask Insurance.

The Alumni Webpage was discussed. We need information and will need to find a way to get the information and present it. More work will be done on this.

Several pictures are needed for the directory and Fred Trask has offered to take them.

TRC Traveling Road show

Was decided to contact town selectmen to set up a date to present ourselves and what we are about. Possibly getting more cooperation from the communities re providing information if they know what we are trying to present on the web.

The Memorial Day Parade was discussed but nothing decided

A web page for the Kiwanis was discussed and Fred Trask agreed to sound them out on it.

Lakeside Players Project was discussed. Decided it would be a good idea for them to come up to Milo and present a play at the Town Hall. We would charge a nominal fee and split the money with them. Mike Phillips is a member of this company and an old member of TRC. Plans to be worked out.

Discussed the next meeting and decided to wait to set a date.
Meeting ended.

Respectfully,

Priscilla Bass
Secretary
