

## **TRC Alliance Minutes**

*October 9th, 2005*

*Brownville Town Office*

### I. Welcome And Introductions

The Group itself introduces itself to the newest member of The Three Rivers Alliance Group and her name is Roberta Williams.

### II. Reports

#### A. Director - Seth.

##### 1. Webmasters Report

The Site updates are The Calendar on Brown Office Page  
Updated Calendar Submission Form - edit forms are next  
Picture Of The Week is back  
Highlights Submission forms have been updated  
help enter the rest of the Highlights Archive

#### B. News & Developments - Izzy

1. Treasurer's Report - We currently have around \$200 in our TRC Maine account .

C. Directory -Mellisa - The Directory is looking fine and is all good and updated as much as possible.

D . Bulletin Board - Tom (if present) - Tom called in to talk about the message board and how it stands as of now and about the happenings that had been happening on the message board. He dealt with various topics including post deletions, and important stuff like that. He also mentioned that the Trc Message board should not be used in official postings of any kind of information. The message board itself was for the towns' folk of the TRC area. And not for official postings of information.

### III. Old Business

#### A. Web-cam Update

##### 1. Brownville cam

a) on hold 'till spring - The Brownville webcam is on hold until spring because of the current situation with the Town Of Brownville's Library

and their current situation with their internet provider. They want to keep their internet provider up and running for a few months since they had just got it back. And they told us that we should contact them about the webcam in the spring time.

b) Other Options - There was talk about putting one up in the High School or The Elementary school. Or something like that. I'll clear this up when I get more information on the topic.

## 2. Other Cams

a) Need Sponsors and Locations - Talking about Other Cameras that maybe set up. We need Sponsors. People to pay for the came itself and locations for these webcams. They must have some form of a high speed internet connection ( like Verizon DSL or Adelphia Cable)

b) Cam Will Cost about 1,200 without housing - The camera will cost lots of money that we don't have. So you should buy us one! Why? Because you love us!

(1) It will be able to see in the dark - The camera that we are thinking about purchasing with have infared technologoy so it would be able to see in the dark.

## B. Online Storefront

1. Milo Historical Society - The Milo historical society has decided to sell its products on The TRCMaine.org online store.

2. Bill Sawtell - Mr. Sawtell had decided to sell his books on our website and Izzy must talk to him about a contract or something.

3. Penquis Co. - They are talking about selling stuff too.

C. Google Adsense - In the next few weeks we'll have another \$ 100

## IV. New business

### A. Volunteers

1. We need More Volunteers - Well we got a new volunteer Robert Williams from LaGrange. Trc is doing alright for itself. One new member to the Alliance staff to help make TRC A nice place for all!

2. Resource Advisors - We have a new Resource Advisor, Roberta Williams from LaGrange.

### B. Regular Meeting

1. 4 pm on Sundays? What Weeks? - It seems like Sundays work out for everyone so we are going to keep on doing it that way.

2. Locations would rotate, except in winter - Locations would rotate.. We'll move around in the summer/fall but not in the Winter. We'd probably meet in The Milo Town Hall in the Winter.

C. List For Town Offices

1. Izzy has a plan - Izzy had an idea of making a laminate of stuff that we needed from The Town Offices of the surrounding areas.

D. Photographers Needed

1. We Need Fall Foliage - We need pictures of the Fall Foliage so all you picture takers get cracken' we only have a few more months LEFT!!
